

Hotline Remote Volunteering

We need people that can take 12 Step calls when the office is closed. When the office is closed and a suffering alcoholic calls the answering service, the answering service can't be that ear they need. They can't tell their experience, strength, and hope. Because they aren't alcoholic. But they can pass the call on to us.

So, if you can help by giving what was so freely given to you, please consider adding your name and phone number to our 12 step call list. Be assured, NO ONE will give out your name and number to any of the callers. The answering service will call you. And, if your available, they will then patch the caller through to you.

Requirements are, 1 year continuous sobriety, and a good working knowledge of the 12 steps and 12 traditions.

Any timeframe of availability during the week is acceptable. Even if it's an hour here and there.

You can call the C.S.O at 717-394-3238 if you would like more information.

Please email this form to office@lancasteraa.org.
