

# AA Prison Meeting Volunteers Needed

*AA's commitment at Lancaster Country Prison is growing*

*Help us bring freedom on the inside!*

**Join the team** taking meetings to prisoners at LCP! We're currently leading four meetings a week — two for women and two for men — and more may be added.

- Men and women with a year or more of sobriety are needed to conduct meetings.
- Clearances are required. See instructions on the [lancasteraa.org](http://lancasteraa.org) website.
- Past convictions and elapsed time since release are *not necessarily* an issue.
