DCM Report: I want to start with, we had a positive meeting last month, discussing some ideas to increase participation in our District. I have a hopeful outlook going forward for District 34. We will be meeting after the district meeting to discuss strategies with those would like to be involved on Thursday. I was able to attend the AQ4 meeting on Sunday, 9/8/24. It was our last full quarterly meeting for this panel. The main thing that was passed was the Bridging the Gap flyers that we voted on last month. Also, there were updates on EPGSA, and the plain language Big Book (Expected to be available 11/1/24). It was a very positive experience. We will go into more detail on Thursday. Thank you all for the opportunity to serve District 34, and Lancaster county AA.

DCM Recommendations
–Continue Outreach to inactive groups
-Update Structure Manual for District 34, submit revised copy to Structure Subcommittee for record keeping purposes

Old Business (On-Hold & In-Process District Items):

A. ***INFORMATIONAL ONLY*** - Still working on outreach to inactive groups.

UPDATE - Looking into having people attend meetings to find out their status and give them information about District 34 and how they can attend or have a GSR represent their group.
UPDATE - Jeff L.(DCM) sent active groups in the district spreadsheet to review. Gia F. brought up getting ideas from other people at NERAASA. The idea is to come up with a mission statement/incentive plan for people to become more involved (show the value of representation).
UPDATE (03/14) - Jeff L. (DCM) discussed outreach plans for Districts who "go dark" or inactive; he will reach out to Claire (Officer at Large) to get the information that the past Districts have used. Gia F. spoke to individuals at NERAASA concerning ideas to keep the District Members involved.
UPDATE (04/11) - Jeff L. (DCM) before planning a workshop, Jeff will reach out to Claire before we decide on the subject or logistics of the workshop. Jeff is going to invite Claire to one of our district meetings.
UPDATE (06/13) - Jeff L. (DCM) had talked to Claire and she was busy, so we are waiting for her to have some time to make any recommendations.

B. ***INFORMATIONAL ONLY*** - We will look into doing a district inventory meeting in 2024.
UPDATE - Jeff L. brought up maybe doing more of an informative meeting to get more district meetings and GSRs involved.
UPDATE (03/14) - District discussed the initial planning of the Inventory Meeting and agreed to do so after District representation is better.

C. ***INFORMATIONAL ONLY*** **VOTING COMPLETED** - Jeff L. requested a vote to begin the Workshop Subcommittee. The Committee will meet 30 minutes prior to the District Meeting.
