Request for Contributions

Friday June 27th - Sunday June 29th, 2025
16th Annual - Unity in the Community Campout - Lancaster County
Pequea Creek Campground and Park
86 Fox Hollow Road, Pequea, PA 17565

The Unity in the Community Campout Committee is asking the Lancaster Recovery Community Home Groups for monetary contributions to help provide a Saturday afternoon picnic and a Sunday morning breakfast at this event. Your contribution would also cover the rental of portable toilets and refreshments for the weekend.

Please take this flier to your Home Group and discuss it during your monthly business meeting. If possible, the Unity in the Community Committee asks that contributions be submitted before 05/31/2025. This is an effort to plan appropriately for the weekend.

The Unity in the Community Campout Committee would like to thank you and your group in advance for your support over the past Decade in making this a memorable recovery event for all. Our campout theme is ***Unity***. Let us show the newcomer that there is a life after putting the drink down and that it can be fun.

Digital Contributions and Campsite Reservations can be made at:
