That will bring our total number of men and women volunteers to 26. ● The women's team is now in good shape to cover our meetings, but we always welcome more people to sign up so we have a strong pipeline of volunteers. On the men's side, we now have ample support for the evening meetings, but we could still use reinforcements for our six afternoon meetings. Several of the afternoon meetings get really strong turnout, so we need two people per meeting. ● Thanks, as always, to all of you and your groups for supporting this service with your contributions.
